Australia – Lamb Shank Pie

- 4–6 Lamb shanks (chopped in half)
- 1 large carrot
- 1 parsnip
- 2 tomatoes
- 6 oz. veal/chicken stock
- 2 tablespoons tomato paste
- juice and grated rind of 1 lemon
- pinch of sugar
- 2 tablespoons parsley
- 2 tablespoons chopped garlic
- 1 tablespoons butter
- 1 tablespoon vegetable oil
- seasoned flour(for dusting)
- 1 onion
- 1 stick of celery
- 1 cup red wine
- 2 tablespoons basil
- 2 cups mashed potatoes

Dust the shanks in flour and brown them in butter and oil in a heavy skillet or fry pan. Put the cooked shanks in a saucepan, cover with water, wine, and tomato paste and cook ever so gently for about 90 min or until meat starts to soften (you may have to add a little more water or wine.)

In the meantime, saute the vegetables (roughly chopped) with the garlic in the same frying pan; you may have to add a little more oil. After a couple of minutes add the tomatoes (roughly chopped), lemon juice and rind. Cook gently for another few minutes.

Transfer partly cooked lamb shanks into a casserole dish. Skim off any fat formed during cooking. Add the cooked vegetables, mix lightly, add the fresh herbs, spoon mashed potatoes on top and finish cooking in a pre heated 190 degree oven for about 30 minutes. Serve piping hot with crusty bread.

Australia – Fluffy Pikelets

1 cup self raising flour
2 tablespoons sugar
1 teaspoon melted butter
1/2 cup milk
1/2 teaspoon baking soda
1 teaspoon vinegar or lemon juice
1 egg
pinch of salt

Sift flour, salt and soda into a small bowl. Add sugar, egg and milk. Beat on low speed until mixed. Beat on high speed for about 1 minute, then fold in melted butter. Place spoonfuls onto a hot griddle or frypan.

Barbados – Barbadian Cake

- 2 cups butter
- 4 1/2 teaspoons baking powder
- 3 cups all-purpose flour
- 4 eggs
- 1 tablespoon vanilla extract
- 1 tablespoon almond extract
- 2 cups milk

Preheat oven to 400F. Lightly grease and flour one 9 or 10 inch bundt pan. By hand, with a spatula, cream butter and sugar together until light and fluffy. Add eggs all at once and beat well. Sift the flour and the baking powder together. Add to butter mixture along with 1 cup of the milk. Continue to beat well (the batter will be doughy). Add the remaining 1 cup of milk along with the vanilla and almond extracts. Pour batter into the prepared pan.

Bake at 400F for 1 hour. Reduce heat to 350F and continue baking for 15 minutes longer.

Add onions, celery, leeks, carrot and salt. Cover, simmer about 2 hours. Remove beef from cooking liquid, reserve for another purpose. Remove and discard skin and bones from chicken. Cut meat into small pieces.

Strain cooking liquid, squeezing liquid from vegetables – discard vegetables. Boil cooking liquid until reduced to about 1 quart.

Beat egg yolks with half & half and white pepper in small bowl. Stir in about 1/3 cup cooking liquid; stir egg–yolk mixture into remaining liquid. Simmer over low heat, stirring constantly, until thickened. Stir in lemon juice and chicken pieces – heat through. Pour into tureen or serve in individual bowls. Serve immediately.

Heat sour cream until warm. Stir in sugar, salt and softened butter. Set aside to cool. Sprinkle yeast over warm water; let stand until yeast dissolves. Add to sour cream mixture. add eggs and flour and mix well (dough does not need kneading). If necessary, work in enough flour to make dough spongy but not sticky. Put dough in a large, greased bowl; cover, and refrigerate overnight.

Remove dough from refrigerator. Shape into balls about 1 1/2 inch in diameter, and place on lightly greased baking sheets about an inch apart. Flatten balls to 1/2 inch and let rise for about 10 minutes. Make indentions in the middle of each kolache by pressing down firmly with the first two fingers of both hands. Spoon about 1 T filling into each indentation. Sprinkle about 1/2 t streusel topping over filling. Cover kolaches with a sheet of wax paper, and let rise until double in bulk. Remove wax paper and bake in 350 degree oven for 15–20 min. or until light tan. Remove from oven and brush top edges and sides with melted butter. Makes about 2 dozen.

Cover the top of each layer with half of the liqueur, then with a thin layer of the raspberry jam. Place one cake on top of the other.

Whip the cream and spread over top. Place whole hazelnuts here and there on the torte. Dust the top with powdered sugar.

Egypt – Feteer Bel Asaag

- 1 large onion, chopped
- 1 lb. super lean ground beef
- 2 tablespoons olive oil
- 1/2 cup water
- salt and pepper
- 1 cup chopped nuts (optional)
- 1 stick of butter
- 1 egg
- 1 cup milk
- 1 package frozen Fillo dough sheets (thawed overnight)

Saute the onion in the oil until it changes color to dark yellow. Add the meat and brown it then add the water, salt and pepper and let it cook until all the water has evaporated. If you decide to use nuts add them at this time.

Open the Fillo dough package and divide the sheets in half (they are usually sheets of 10X20" rectangles, you want to end up with 2 stacks of 10X10 sheets. In a greased 9x12x3" baking dish layer 2 to 3 sheets at a time and sprinkle them with a few drops of the melted butter, and so on until you finish the first half of the sheets. Spread the meat and nut mixture on it and start doing the same thing with the other half of the sheets. Don't worry about spreading the butter on the sheets. When you finish with all the dough, cut the feteer in 2X1" squares with a sharp knife.

Mix together the left-over melted butter, the egg and the milk and a pinch of salt (not much) beat it with fork. Pour the egg mixture gently over the feteer and bake, uncovered, in a 375F oven for about 20 minutes or until the milk is absorbed and the feteer turns gold yellow.

France – Poulet aux Morilles

1 ounce dried morel mushrooms
1 cup hot milk
1 frying chicken, cut into 8 serving pieces
1/4 cup vegetable oil
2 tablespoons unsalted butter
1 tablespoon all-purpose flour
1/2 teaspoon dried thyme leaves
1 1/2 cups dry white wine
2 tablespoons Cognac
1 cup Creme Fraiche
Beurre manie (1 tablespoon all-purpose flour mixed with
1 tablespoon unsalted butter)
Salt and freshly ground white pepper
2 cups hot cooked rice

Creme Fraiche

1 cup heavy cream
1/2 cup sour cream

Whisk the cream and sour cream together in a mixing bowl. Cover with plastic wrap and let sit at room temperature until thickened, about 8 hours. Put a filter in a coffee filter top or line a strainer with a double thickness of paper towels and set over a bowl. Scrape in the thickened cream.

Let drain in the refrigerator, covered with plastic wrap, until very thick, at least 12 hours or up to 24 hours. Spoon the cream into a covered container and refrigerate. Creme Fraiche will keep in the refrigerator for 1 week.

Cover the morels with the hot milk and let them soak for 30 minutes.

Meanwhile, pat the chicken pieces dry with paper towels. Heat the oil and butter together in a skillet or saute pan large enough to hold the chicken in one layer without crowding. Cook the chicken pieces over medium-high heat until golden brown on both sides, about 10 minutes altogether. Transfer the chicken to a plate. Reserve.

Strain the morel soaking liquid through a sieve lined with dampened cheesecloth. Squeeze the mushrooms with your fingers to force out as much liquid as possible. Reserve. Discard the cheesecloth with the sediment and set the liquid aside.

Rinse the mushrooms under cold running water to remove any grit.

Drain and squeeze dry. Cook them over medium–low heat in the fat remaining in the skillet for about 4 minutes, stirring often.

Discard all the fat from the skillet.

Return the chicken pieces in one layer to the skillet, adding any juices from the plate. Sprinkle with the flour and thyme and turn the pieces to coat. Pour in the wine, bring to the boil, cover and simmer for 15 minutes, turning the chicken once. Uncover the pan and simmer until the chicken is fork–tender, about 15 minutes more.

To make the sauce, first remove the chicken and mushrooms with a slotted spoon to a bowl and cover loosely to keep warm. Degrease the pan juices. Whisk in the Cognac, mushroom liquid and Creme Fraiche. Cook, whisking, over low heat until smooth. The sauce should be just thick enough to coat a spoon. If necessary, whisk in the beurre manie, 1 teaspoon at a time, to thicken the sauce. Season to taste.

Return the chicken, mushrooms and any liquid in the bowl to the pan. Stir to coat the pieces with the sauce and heat through. Do not let boil. Spoon chicken and mushrooms onto a serving dish and serve with cooked rice.

France – Foie de Veau au Sauternes

- 2 medium onions [about 8 ounces total], ends cut flat, peeled, cut in half lengthwise
- 1 3/4 sticks unsalted butter [7 ounces], cut into 14 pieces
- 2 small carrots [about 4 ounces total], peeled, cut to fit the feed tube vertically
- 3 plum tomatoes [about 9 ounces total], quartered and seeded
- 3 1/2 pounds fresh spinach, washed, stems removed
- 1 cup veal stock, preferably homemade
- 1/2 cup Sauternes
- Salt and freshly ground black pepper
- 6 slices calf's liver [about 5 ounces each], trimmed

Slice the onions thin, and saute in 2 tablespoons butter over low heat until the onions begin to exude their liquid, about 5 minutes. Cover and cook, stirring occasionally, until the onions are golden and very soft, about 25 minutes more.

For flower-like carrot slices, make 5 evenly-spaced lengthwise cuts on each carrot piece with a fruit and vegetable stripper; slice them into very thin rounds. Reserve.

Coarsely chop the tomatoes. Reserve.

Bring a large pot of water to the boil, add the spinach and cook for 2 minutes. Drain and rinse under cold running water until cool enough to handle. Squeeze the spinach to remove all the liquid. Pulse the spinach, in a food processor until finely chopped, about 6 times. Add the onions and process until smooth, about 1 minute. Reserve.

To make the sauce, bring the stock, Sauternes and chopped tomatoes to the boil in a medium skillet. Cook until reduced by one-third, about 9 minutes. Strain into a small saucepan, pressing on the tomatoes to exude all their liquid: there should be about 1/2 cup. Set the skillet aside. Whisk 8 tablespoons of the butter, one piece at a time, into the reduced liquid, over low heat. Season to taste and keep warm.

Add 2 tablespoons butter to the skillet used to reduce the sauce. Add the spinach mixture and season to taste. Keep warm, stirring occasionally.

Season the liver with salt and pepper. Cook 3 slices in 2 tablespoons butter over medium high heat until golden brown on the outside but still pink on the inside, about 2 minutes on each side. Remove to a plate and cover loosely with foil to keep warm. Cook the remaining liver, adding more butter as necessary.

Meanwhile, blanch the carrot slices in boiling water until just tender, about 2 minutes. Drain.

Fill a pastry bag fitted with a 1/2-inch star tip with the spinach mixture. Pipe some spinach around the inner rim of 6 individual serving plates. Cut each piece of liver diagonally into 3/4 inch wide slices and arrange spoke-fashion on each plate. Spoon an equal amount of the sauce on each serving and garnish with the carrot slices.

Germany – Neujahrspretzel

2 cups milk
2 eggs
1/2 cup butter or margarine
1 cup powdered sugar
2 packs dry yeast
Water
2 teas. salt
1 teas. vanilla extract
1/2 cup sugar
1/4 cup almonds, chopped
7 cups flour

Heat milk and butter until very warm (120–130 degrees F.). Mix yeast, salt, sugar, and 1 cup flour. Slowly beat into warm milk. Beat for 2 minutes. Add eggs and 1 cup of flour. Beat for an additional 2 minutes. Add enough flour to form a soft dough. Knead until smooth and elastic, about 5 minutes. Place dough in a greased bowl. Let rise in a warm place until doubled in bulk, about 1 hour. Punch dough down and let rise again until doubled (1 hour more). Divide dough in half. Shape pretzel as follows: Roll dough into a rope about 30 inches long and 1 1/2 inches in diameter. Cross the ends leaving a large loop in the center. Flip loop back onto crossed ends to form a pretzel. Repeat with remaining dough. Place pretzels on greased baking sheets. Let rise 15 minutes more. Bake at 375 degrees F for 25 to 30 minutes or until golden brown. Cool on wire racks. Mix powdered sugar, water and vanilla to form a thin icing. Spread icing on pretzels and sprinkle with chopped almonds. Makes 2 large pretzels.

Germany – Linzer Torte

3/4 cup sweet butter, softened
3/4 cup sugar
1 cup finely ground almonds
1 tbsp. Kirschwasser (cherry brandy)
1–1/2 cup flour
1 tsp. cinnamon
Grated rind of 1/2 orange and 1/2 lemon
1 cup good quality raspberry preserves
1 egg, lightly beaten with 1/2 tsp. water
1 tsp. finely ground cloves

Butter one 9 inch springform pan. Cream butter and sugar and beat until fluffy and creamy in color; gradually add almonds and Kirschwasser. Sift flour with cinnamon and cloves; add grated rinds and stir into butter mixture. Spread about 2/3 of dough on bottom and about 2/3 up sides of pan; spread raspberry preserves over dough. Roll remaining dough between 2 sheets of waxed paper; cut into 1/2 inch wide strips. Put in refrigerator to chill. Form strips into a latticework pattern on top of preserves, laying a strip around circumference. Push dough on sides down over strip around circumference and flute; brush top with egg mixture. Bake at 350 degrees for 35 minutes, until top is golden brown. Allow to cool about 10 minutes before removing sides of springform.

Germany – Zwetschgenknodel

3 medium potatoes, boiled the previous day, peeled
1 tablespoon butter
2 egg yolks
pinch of salt
2–3 heaping tablespoons flour
1 1/4 lbs. damson plums (sometimes called prune–plums)
1 sugar cube for each plum

Toppings:

melted butter
1/4 cup bread crumbs
3 tablespoons sugar
1 teaspoon ground cinnamon

Wash the plums, wipe dry, remove stones, and insert a sugar cube into the center of each plum. Smash the boiled potatoes and mix with the cool melted butter, egg yolks, and salt, then add as much flour as it takes to produce a slightly adhesive dough. Note that less flour you use the better they will turn out. Keep your hand cool, take enough dough to cover the plums with 1/4–1/2 inch thickness; carefully press the edges together. Drop into boiling water and simmer until they start to float.

Serve with melted butter, and sprinkle sugar, cinnamon, or a combination of both on it. Or serve with breadcrumbs, browned in butter.

Greece – Baklavas

Filling:

1 pound walnuts, coarsely chopped
1/4 cup sugar
1 teaspoon cinnamon

Pastry:

1 pound phyllo pastry
6 oz. unsalted butter, melted

Syrup:

1/2 pound sugar
10 oz. water
2 cinnamon sticks
2 teaspoons lemon juice
some lemon peel
2 tablespoons honey

Mix all the filling ingredients in a bowl.

Liberally butter the base and sides of an elongated or round baking dish. Measure the length of the phyllo against the baking dish roughly and, allowing 1 inch extra approximately for shrinkage, cut to length with a sharp knife. Brush each layer of phyllo with melted butter and spread over the base of the container as evenly as possible. Once you have used 5 layers of pastry, sprinkle a thin layer of filling all over the surface and add 3 more layers. Sprinkle a thin layer of filling and place 2 more sheets of phyllo on top. Sprinkle on all the remaining filling, spreading it evenly, and cover with 7–8 more layers of phyllo, brushing individually with butter. Fold any excess pastry on either of the sides over the filling and brush it with butter. Brush the top layer liberally with butter in order to get it crisp and golden. Trim any excess pastry with a small sharp knife, keeping in mind that it will also shrink.

Cut the top layers of phyllo carefully, either diagonally into diamond shapes or straight, which will result in square or elongated pieces. Be careful not to cut right down to the base, but only the top layers. This is done in order to make cutting and lifting the pieces out, once it is cooked, much easier and efficient. Using the tips of four fingers, sprinkle drops of water all over the surface and cook it in a preheated oven at 375F for 15 minutes; lower the heat to 350F and cook for a further 20 minutes. In the meantime, prepare the syrup. Place all the

syrup ingredients, apart from the honey, in a saucepan and stir to dissolve the sugar. Simmer for 6–8 minutes, add the honey and simmer for a further 5 minutes until it thickens slightly. Let the baklava cool down then pour the hot but not boiling syrup slowly all over, through a strainer.

Let it stand and absorb the syrup. Cut and serve.

India – Naan

- 4 cups all-purpose flour
- 1 Tablespoon sugar
- 1 Tablespoon double-acting baking powder
- 1/4 teaspoon baking soda
- 1/2 tsp salt
- 2 eggs
- 1 cup milk
- 4 to 6 teaspoons ghee or melted butter

Combine the dry ingredients in a large mixing bowl and stir until the ingredients are thoroughly mixed. Make a well in the center of the mixture and add the eggs, stirring them into the mixture. Add the milk in a thin stream (or a little at a time if you only have two hands), and stir until all the ingredients are well combined. Gather the dough into a ball and knead for about 10 minutes, adding a little flour as needed to prevent sticking, until the dough is smooth and can be gathered into a soft, somewhat sticky ball. Moisten your hands with a teaspoon of ghee, rub it over the ball of dough, and place it in a bowl. Drape a kitchen towel over the bowl and allow to sit at room temperature for about 3 hours.

Place two ungreased baking sheets in the oven and preheat the oven and the sheets to 450F. Divide the dough into 6 equal pieces and flatten each into a tear-drop, or leaf shape about 6 inches long and 3 1/2 inches across at its widest point. Use your fingers to do this, and moisten them with ghee as needed to prevent the dough from sticking. The ghee also assures the proper texture of the bread, so moisten your fingers with it even if the dough is not sticky. Arrange the bread "leaves" side by side on the preheated baking sheets and bake them for about 6 minutes, or until they are firm to the touch. Slide them under the broiler for a minute or so to brown the tops lightly. Serve warm or at room temperature.

Italy – Basic Italian Bread

Biga:

- 1/2 Teaspoon Active Dry Yeast
- 1 Cup Lukewarm water
- 2 Cups Unbleached, All-purpose Flour

Mix the yeast and water together, and then slowly start adding the flour, mixing well. Cover with plastic wrap and let sit at room temperature for up to 6 hours. Refrigerate overnight.

Bread:

- 2 Cups Warm Water (about 90 degrees F.)
- 1 Pkg. Active Dry Yeast
- 5–6 Cups All-purpose, Unbleached Flour
- 2 Ts. Salt

Place the water in a large bowl, sprinkle the yeast ovetop and mix well. Let sit 10 minutes until bubbly. Add the biga, flour, and salt and stir with a wooden spoon (or mix with your hands) until everything is mixed. The dough will be fairly wet and sticky at this point. Cover and let stand in a warm spot for about 1 to 1 1/2 hours until doubled in volume.

Punch down the dough, folding it over on itself two or three times, cover and let rise once more until doubled, about 1 hour. If you choose, you could refrigerate your dough at this time and leave it overnight to prepare the next day.

Turn out your dough onto a floured baking sheet, and without overworking it too much, shape into one large or two smaller round or oval shaped loaves, using as much extra flour as needed to keep it from sticking. Slash across the tops of the loaves with a serrated knife or razor just prior to baking.

Preheat the oven to 350F and place a casserole dish with boiling water on the lower oven rack. Bake your bread 30 minutes, turn the baking sheet around, and reduce the heat to 300F and bake for another 30–45 minutes. At this point your bread should be golden brown and should sound hollow when you tap the bottom. Allow the bread to cool to room temperature and serve.

8 garlic cloves, peeled
1 teaspoon salt
1 tablespoon chopped fresh oregano
1 teaspoon black peppercorns
4 small hot chili peppers
1 teaspoon minced fresh gingerroot
1/4 teaspoon saffron threads
1/2 teaspoon ground cumin seeds
1/2 cup olive oil
2 teaspoons paprika
3 chopped green onions
2 medium tomatoes, chopped
1/3 cup chicken stock
1/2 cup burgundy
1 tablespoon chopped fresh cilantro
Garnish: lemon wedges

Wash the chicken parts, pat dry and remove the skin. Place in a deep square pan and set aside. In the belly of a mortar, combine garlic, salt, oregano, and black peppercorns. Slowly pound the mixture until achieving a paste and incorporate the oil slowly. At the same time, stir with a spoon to break down the paste.

Spread the mixture evenly over the chicken parts, lifting the chicken pieces to ensure distribution of the marinade to the bottom of the chicken parts. Sprinkle all parts with paprika. Cover and refrigerate overnight. If no mortar and pestle is available, execute the steps in a blender set on low speed until all the ingredients are coarsely chopped, then remove the canister, add the oil and shake or stir to break down the paste and blend the ingredients.

In a preheated deep skillet, over low–to–medium heat, arrange marinated chicken pieces side by side and brown the chicken on all sides. Spread the chopped onions, chopped tomatoes, and drizzle the burgundy over the chicken parts. Cover and finish cooking on low heat for approximately 35 minutes. United States – Flag Cake

1 – 9X13 inch white cake
2 pints strawberries
1 pint blueberries
Boiled Icing

Boiled Icing:

1 cup white sugar
1/3 cup water
1 tablespoon light corn syrup
1/8 teaspoon salt
2 egg whites
1 teaspoon vanilla extract
3 tablespoons confectioners' sugar

Combine sugar, water, corn syrup, and salt in a saucepan; stir until well blended. Boil slowly without stirring until mixture will spin a long thread when a little is dropped from a spoon (hold the spoon high above saucepan), or reaches 238F – 242F.

In a large bowl, beat egg whites with a mixer until they are stiff, but still moist. Pour hot syrup slowly over egg whites while beating. Continue until mixture is very fluffy, and will hold its shape. Add vanilla, and beat until blended. If icing does not seem stiff enough, beat in 2 or 3 tablespoons confectioners' sugar 1 tablespoon at a time until stiff enough to hold its shape.

De-stem the strawberries and cut in half. Spread boiled icing on cake. In the top left hand corner of the iced cake, make a four inch tall by five inch wide rectangle with the blueberries. Lightly press the berries into the icing. Fill in the rectangle with remaining blueberries in rows. The white space in between will resemble stars.

Place strawberries cut side down in rows going across horizontally. The bottom stripe is red, so start with that row. Be sure to press the berries lightly into the frosting.
